FROM: Steve Ott, Dean of the Belk College of Business
DATE: March 28, 2017
RE: Recommendation to Award Posthumous Degree

In accordance with faculty policy, undergraduate students with 90 or more earned hours may be recommended by the faculty of the College to receive a posthumous degree. Corey Flynt, a 24 year old senior majoring in Management, was in good academic standing and had 106 earned hours at the time of his death in early February.

The faculty of the Belk College of Business voted to support the request to award a Posthumous Degree to Corey Flynt.

Therefore, I request that Corey Flynt be posthumously awarded a Bachelor of Science in Business Administration degree, major in Management with a concentration in Organizational Management, at the May 2017 commencement.
