- Standards & Assessment: Chair Lee Gray - no report.
- Planning: Chair Jeanneine Jones - no report
- Course & Curriculum: - no report (Chair McGregor to secure a chair from one of the subcommittee members).

VII. **Other Business**
Due to the large volume of course proposals to consider at upcoming meetings, Chair McGregor suggested assigning to subcommittees to research prior to the meetings, thus alleviating the need for department representation. To allow time for review, the agenda will close at least two weeks prior to the upcoming meeting.

Chair McGregor received a short form from Laura Talbot (CHHS) requesting a change in the admission requirements for the HSRD PhD program and the cross listing of HSRD 8004/PPOL 8667 with ECON 6090. It is appropriate to deal with the proposed cross-listing by short form. After discussion, the Council agreed that the proposed change in admission requirements could also be handled by short form.

Deferred agenda item from the “Report of the Dean” – Dean Reynolds distributed a proposal along with a PowerPoint handout which was addressed to Chair Rob Roy McGregor dated January 11, 2011, outlining the importance of creating, implementing and maintaining competitive and high quality graduate degree programs. To accomplish this task, Dean Reynolds is proposing implementing a formalized Graduate Program Review. Dean Reynolds stated that some colleges do internal reviews but nothing is in place campus-wide. The Dean recommends starting with the PhD programs.

To meet this objective, the Dean suggested putting together an ad hoc subcommittee and asked for volunteers. The subcommittee members are as follows: Lee Gray, Larry Mays, Rob Roy McGregor, Frada Mozenter, and Todd Steck, along with Dean Reynolds. Lee Gray will chair the subcommittee.

The subcommittee will meet separately to develop a structured process for PhD program reviews.

The meeting adjourned at 1:40pm.

Respectfully submitted,

Annette Parks
Secretary to the Graduate Council
