The documents associated with the process will be uploaded in Active Collab. The Dean would like the Council to discuss at the upcoming Graduate Council meeting on October 2, 2012.

Program reviews would run on a 7-year cycle. The Dean would like for the Graduate Council to serve as an internal reviewing body. They could operate as a whole or divide into teams.

This process could also apply to professionally accredited degree programs but the self-study would need to be modified to address these.

The documents associated with the GPR will be uploaded in Active Collab under the Milestone, *Forms, Policies and Procedures*.

1. The long form has been updated and is now listed on the Faculty Governance website.
