VI. **Graduate Program Review Discussion**
Chair McGregor discussed the timetable for the requested reviews in progress. The goal is to have the Council review these and provide feedback to the colleges. Then the colleges will provide their input to the Dean’s and Provost by the end of the 2013 academic year.

- Need to incorporate student surveys
- Should we use part of the Jan. 15 meeting to discuss training the Council for this review?
- The Program Self-Study deadline is Feb. 1, 2013
- The Council can review these as a whole group or would it be more efficient to break up into subgroups?

VII. **Reports from the Subcommittees:**

**Standards and Assessment:** no report  
Chair: Stephanie Moller Smith  
Members: Lee Gray, Greg Starrett, Aixi Zhou

**Planning:** Anderson provided a handout with the changes to the subcommittee structure. A discussion ensued. Chair: Linda Swayne (fall)  
Members: Michael Thompson, Judy Walker, Peter Schwarz,

VIII. **Other Business:**

Items to discuss at January 15 meeting:

- Ad hoc committee for course numbering policies
• Ad hoc committee for terminology (Chair McGregor asked Johnna Watson to do a presentation on recommended terminology for proposals.)
• Chair McGregor and Anderson asked advice from the Council on moving to a model for a later published deadline – Initial Review could be a hard deadline. It is a hardship on our PhD students to be asked to complete their program so early and then have to make arrangements to come back for the graduation ceremony. Chair McGregor asked Susan Sell to talk about the process for Thesis and Dissertation deadlines.
• Sarah Birdsong announced that the Graduate Research Symposium is coming up Saturday, March 23, 2013 and they are in need of faculty judges for this event. She asked the Council to pass information along to their colleges.

Chair McGregor called for a motion to adjourn the meeting.

The meeting adjourned at 1:35pm.

Respectfully submitted,

Annette Parks
Secretary to the Graduate Council
