   Dr. Hardin introduced Mr. David Broome, University Counsel, and Mr. Jesh Humphries, Associate General Counsel. Dr. Hardin and Mr. Broome discussed the changes to the university tenure document in order to conform to the revisions to the University Code passed by the UNC Board of Governors (distributed). The Office of Legal Affairs made revisions to the UNC Charlotte tenure document and presented them to the Faculty Executive Committee. The FEC made changes to ensure that there were enough calendar days to maintain the same amount of time in the previous document. The changes go into effect on September 1, and the UNC Charlotte document must go to the UNC Charlotte Board of Trustees in March. Discussion followed, including defining the forms of suspension, faculty rights before, during, and after investigations, and the definitions of the terms “professional ethics,” “mistreatment of students,” and “research misconduct” mentioned in Section 8.1.C. Other discussion included better informing faculty of the issues, university policy that works against the interest of the faculty, interpretation of the Code, and the role of the proposed ombudsman. Dr. Hardin asked for a vote of support. The vote passed unanimously.

   Dr. Raja reported for Dr. Lorden on the following:

   a. Searches are proceeding for the Dean of the College of Computing and Informatics and for the University Librarian;
   b. UNC Charlotte’s UNC Tomorrow plans includes proposed new degree programs and initiatives on faculty recruitment and retention;
c. The Budget Council—Send any questions to Dr. Hardin. There is also a Budget Council Web site. At this time the deans still have some discretion.

7. **Report of the President-Elect (Dr. Alan Freitag)**
