7. **Policy Statement #129 on Whistleblower Protection**

Legal Affairs office has drafted policy related to whistleblower protection. FEC will discuss at December meeting. Jesh Humphrey will be at that meeting.
8. **Report of the Chancellor**

- The budget situation has not changed since the last Faculty Council meeting. We have reserved enough money so that if we have a total reduction of 5 or 6% we can handle it.
- The Board of Trustees will discuss football at their meeting in December and will determine whether or not to go forward with the original dates for implementation.
- General Administration is beginning to review new academic programs.
- UNC Charlotte as the state’s “urban research university” was approved in our revised mission statement.

Tuition will be interesting discussion this year. The Board of Governors maximum for tuition increases would be 6.5%. The legislature set tuition increase at 8% or $200 or lesser of those numbers. The increase did not come back to university but went to other parts of state budget.

A new parking lot is at the corner of Cramer and Cameron. This is where new science building will go eventually. We really need cooperation of faculty to stretch out teaching day, thus increasing our parking capacity.

9. **Report of the Provost**

- Our graduation rates are increasing.
- Applications for the Levine Scholars program are coming in. We have gotten over 1000 from at least 25 states.
- With respect to the budget, we are paying down someexpected expenses for next year – catching up with computers, accreditation costs for some colleges, extending maintenance contracts, small renovation projects around campus, funds to the library for monographs.

10. **Report of the President Elect**

    Faculty Assembly is tomorrow. Items on the agenda are Senior Academic Officers, retention and linkage to enrollment growth, and a resolution about State employee health plan.

11. **Report of the President**

- FAPBC is conducting the reviews of service units. We need about 18 faculty members to form subcommittees to do the reviews. These faculty members would review documents, come to conclusion, and talk to unit representatives.
- Roy Fielding was appointed to Faculty Assembly.
- Refreshments will be at our next meeting.
- The next Faculty Council meeting is January 28, 2010.
12. New Business

There was no new business.

The meeting was adjourned at 1:45 PM.

Submitted,

Kim Harris, Secretary
