6. **Discussion Concerning Legislation Regarding Smoking (Dr. Kim Harris)**

Dr. Harris asked for Faculty Council to recommend a policy on smoking on campus. Dr. Harris had previously requested that Faculty Council members poll their various colleges and departments on the following three possible recommendations:

   ii. Having designated smoking areas on campus
iii. “Courtesy zones” that ban smoking at a certain distance from building entrances (e.g., 10 feet or 25 feet) or at a certain distance from a building (e.g., 100 feet).

After discussion, Lt. Col. Rose moved and Dr. Toenjes seconded that there be designated smoking areas on campus that are sufficiently isolated from buildings and that they reasonably accommodate smokers (e.g., areas are covered). The motion passed unanimously.
