II. Report of the Chair – Dr. Concepcion Godev

Godev communicated that the Graduate Student Funding Committee, created from the Graduate Funding Task Force and composed of members of the Graduate Council and others has now been dissolved. Johnna Watson, Associate Dean in the Graduate School, will be communicating more on this at the September 8, 2020 Graduate Council Meeting. Godev thanked the following individuals for their time and dedication to this process: Manuel Perez, Julie Goodliffe, Heather Lipford, Liz Miller, Alex Suptela, Shannon Murphy, Johnna Watson, and Annette Parks.

Godev also named some members of the Graduate School who would be good resources for the Graduate Council members.

Ms. Kathy Giddings – Director, Graduate Admissions
Godev referred the Council to the Faculty Governance website (link below) where important documents are housed with information on Meeting Schedules, Member Contact Information, the role of the Graduate Council member and more. Brief descriptions about the documents can be found below. This website is also the home for the monthly meeting agendas, meeting minutes and other appropriate materials to be discussed during the monthly meeting.

- **Responsibilities of the Graduate Council Members:**
  Chair Godev stated that the Graduate Council is a subcommittee of the Faculty Council and an advocate for quality graduate education. And while the main responsibilities of the Graduate Council are to review graduate course and curriculum proposals, policies and procedures, they will also serve in an advisory capacity to the Dean of the Graduate School. The Council is an independent body and not a part of the Graduate School. But it does use the Graduate School facilities for its monthly meetings. The Graduate Council is strongly encouraged to take the information presented at monthly meetings back to their colleges, departments and to Graduate Program Directors (GPD’s) and likewise, bring any department, college or GPD questions and concerns back to the Graduate Council for discussion.

- **The Standing Rules of the Faculty Council of UNC Charlotte**
  Chair Godev referred the Graduate Council to several documents uploaded on the Faculty Governance website. One section of the Standing Rules of the Faculty Council of UNC Charlotte (pages 14-16) were distributed to the Graduate Council in hardcopy. These pages include certain rules of procedure for the Graduate Council. ### III. **Report of the Dean of the Graduate School – Dr. Tom Reynolds**

Dean Reynolds welcomed the returning and new members of the Graduate Council. Reynolds stated that this is an exciting new year with a new Chancellor, and a new strategic plan. Reynolds encouraged the Graduate Council members to get involved in their colleges to provide input as these plans are created with respect to graduate education.

- Reynolds announced that the Virtual Graduate Education Summit will be held on Wednesday, September 2, 2020 at 1:00pm.

  Reynolds then introduced Dr. Manuel Perez.

- Perez introduced himself as a current faculty member in the College of Computing and Informatics and a Graduate School Faculty Fellow. He communicated that his role in the Graduate School has...
shifted from serving as the Chair of the Graduate Student Funding Committee to a new role in which he will focus and utilize his background to help the Graduate School audit graduate programs in support of diversity and inclusion. One such area might be standardized testing. Does this requirement play a part in reducing opportunities for minority groups gaining admission to graduate programs?

Reynolds asked Associate Deans, Katherine Hall-Hertel and Johnna Watson to give updates for their respective areas in the Graduate School.

Hall-Hertel

- Over the summer, the Center for Graduate Life staff developed a website titled:  *Graduate Student Onboarding Portal*. The link is below. Their combined efforts produced the design and content of this great resource for new and returning students from getting started, to Academic Essentials to Community Essentials and other campus resources. I welcome you to visit the site and provide this useful tool to your students. Kudos to Dr. Jill Huerta, Dr. Aura Young, and graduate students Catherine Butt and Yash Tadimalla.

  [https://sites.google.com/uncc.edu/uncc-grad-student-portal/home](https://sites.google.com/uncc.edu/uncc-grad-student-portal/home)

- Dr. Jill Huerta, (Center for Graduate Life) announced that New Graduate Student Virtual Orientation is scheduled for Wed., Sept. 3, 2020 at 10:00am. They have 1449 students registered.

Watson

- Watson commended her group for deferring over 1700 students from fall 2020 to spring 2021. This was a huge endeavor that involved a lot of moving parts, most importantly funding.

- Graduate Enrollment numbers for the fall 2020 are: 5,740 students with 1,511 Extention/Distance Education and 4,229 on campus. Great job to the Admissions group and the departments and Graduate Program Directors for getting these students registered and admitted.

- Common items missing from proposals/syllabi are: graduate grading scales, syllabi, Library consultations or other consultations or attachments. These are things that should be listed in the Comments box. The Graduate Council will discuss these revisions during the regular meetings before voting on the proposals.
